## COVID-19 Pandemic Massage Therapy Treatment Consent Form

l,, knowingly and willingly consent to have mas	sage
therapy treatment completed during the COVID-19 pandemic. I understand the COVID-19 $ m v$	irus has
a long incubation period during which carriers of the virus may not show symptoms and stil	l be
highly contagious. MassageFIX® cannot determine who has it and who does not. I understa	and that it
would be in my best interest to delay all non-emergency treatments, such as massage, until	the
pandemic is over. However, I have decided to exercise my free-will and get massage regard	less of
any risks to my health.	

I have had an opportunity to read & ask questions about the <u>CDC's web page</u> that explains who is at a higher risk for severe illness if they contract COVID-19. I understand the risks and fully accept them.

I also understand that by signing this form, I give MassageFIX permission to give any government entity or any official **contract tracer** the information that they may request about me with regards to containing the COVID-19 pandemic.

I agree to have my temperature taken and recorded each time I present myself for massage during this pandemic. I agree to answer these four questions each time as well:

## One of these symptoms

- Fever
- Dry Cough
- · Shortness of breath or difficulty breathing

## At least two of these symptoms

- Chills
- · Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell
- 1. Have you or anyone in your household had any of the above symptoms within the last 14 days?
- 2. Have you been diagnosed with COVID-19 within the last 30 days?
- 3. Have you knowingly been exposed to anyone diagnosed with COVID-19 within the last 30 days?
- 4. Have you traveled outside of the country, or to any city outside of our own that is or has been considered a "hot-spot" for COVID-19 infections within the last 30 days?

I have had an opportunity to read the <u>Governor's general reopening protocols</u> (especially #10 regarding "high-touch clinical settings" and the KBLMT & CHFS <u>specific guidance for massage therapists</u> and understand that MassageFIX® has every intention of complying during each phase of the pandemic. I understand that my massage therapist may be wearing a long-sleeve gown, gloves, eyewear, and a mask during my treatment, depending on the current pandemic phase.
